AIR ACCESSORIES - POG

Air Tools are Not Part of our Standard 2' or 4' POG Today

Air Category Training Sessions

Air Couplers & Plugs
Air Hoses

Air Accessories

Air Tools

AIR HAMMER

25-560

- Cushion grip.
- Multiple applications. Includes spring and 4 chisels.
- Built-in regulator to maintain accurate air flow.

HF

**HI FLO® PLUG
INCLUDED**

Air Hammer w/ Chisels (25-560)

Retail Box. 3/master

- Cushioned handle for better grip
- Air Flow: 6.25 CFM
- Built-in air regulator
- Includes chisel spring, 4 chisels and HI FLO plug

4-Piece Chisel Set (25-310)

- Contains chisels most frequently used with air hammers
- Chisels are forged from carbon steel and are heat treated for extra strength
- Includes: ripping splitter, weld buster, flat chisel & tapered punch
- All 5"

Chisel Retainer Spring (25-307)

- For air powered chisel/hammer
- Spring allows for quick chisel changes
- Secures chisel during operation of tool
- Works with any standard .401 shank diameter

1/2" STUBBY IMPACT WRENCH

25-513

- Twin-hammer mechanism and pressure feed lubrication system can tackle the toughest of jobs.
- Features adjustable 3-position power in forward and reverse.
- Pneumatic motor features quality bearings, ductile steel end plates and carefully finished components to ensure smooth running and maximum power.

HF

**HI FLO® PLUG
INCLUDED**

½” Stubby Impact Wrench (25-513)

Retail Box. 3/master

- Short body for tight spaces
- Multi-stage forward and reverse function
- Coated handle for better grip
- Twin hammer produces 500 ft/lbs torque

Die Grinder

Free Speed: 25,000 RPM

Air Flow: 5.75 CFM @ 90 PSI

Collet Size: 1/4"

Mini Die Grinder (25-520TF)

Retail Box. 4/master

- 25,000 RPM
- Collet Size: 1/4"
- Includes HI FLO plug

5-Piece Grinding Stone Set (25-313)

- 1/4" Shank
- For use with most straight or angle die grinders
- Includes 5 grinding stones for various applications: general grinding, fine grinding, coarse grinding

10-Piece, 2" Surface Prep Kit (25-319)

Contains:

- 3 – 40-grit sanding disks
- 3 – 60-grit sanding disks
- Fine finish prep pad
- Medium finish prep pad
- Back-Up pad
- 1/4" mandrel for 1/4" die grinders

6" Dual Action Sander Pad (25-301)

- Standard 5/16"-24 threads
- Produces consistent and reliable results across a variety of surfaces
- Lightweight design won't slow down the sander, maximizing efficiency

GRAVITY FEED SPRAY GUN

25-575

- Ideal for primers, adhesives, base, and finishing coats.
- Adjustable spray pattern for any job.
- Brass air cap with steel needle and nozzle.

HF

**HI FLO[®] PLUG
INCLUDED**

Full-Size HVLP Spray Gun (25-575)

Retail Box. 3/master

- 600cc capacity
- 1.4mm nozzle
- 4 CFM air flow
- Includes HI FLO plug, wrench and cleaning brush

600cc Paint Cup (25-317)

- Lightweight & translucent
- Durable resin construction
- Easy twist off top with air vent

Spray Gun Air Filter (25-305)

- Reduces paint defects by filtering water, oil & solids from compressed air
- Solvent resistant housing
- Replace filter weekly or more as performance decreases

Gravity-Feed Push-in Paint Filters (25-303)

- Compatible with most gravity-feed spray guns
- #80 mesh filters debris from paint
- 5-piece retail pack

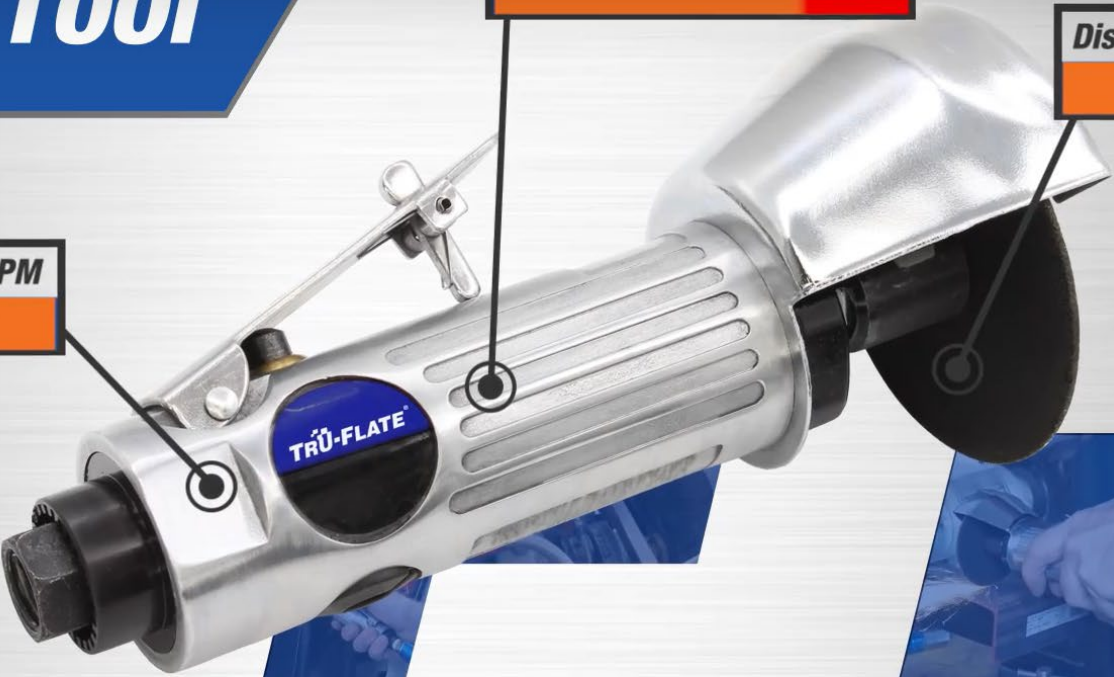

Cut-Off Tool

Air Flow: 8.5 CFM @ 90 PSI

Disc Diameter: 3"

Free Speed: 20,000 RPM

HI FLO®

Air Cut-Off Tool (25-540TF)

Retail Box. 3/master

- 20,000 RPM
- 3" Disc Included
- Includes HI FLO plug

5-Piece, 3" Cut-Off Discs (25-311)

- Includes (5) abrasive cutting disks for air powered cut-off tools
- 3" x 1/16" thick with 3/8" arbor hole
- Designed for cutting metal

AIR SANDBLASTING GUN

25-580

- Ideal for paint, rust, and grime.
- Only 1 air hose for easy maneuverability and lightweight.
- Gravity fed hopper; large opening for easy filling.
- Adjustable flow and lightweight aluminum body.

**HI FLO® PLUG
INCLUDED**

Gravity Feed Sand Blaster (25-580)

Retail Box. 4/master

- 600cc Capacity
- 3.75 CFM air flow
- Adjustable flow lever
- Includes HI FLO plug

Impact Wrench

Free Speed: 6,500 RPM

Air Flow: 8.25 CFM @ 90 PSI

Built-in Regulator

HI FLO®

Air Ratchet

Free Speed: 150 RPM

Air Flow: 6.75 CFM @ 90 PSI

Forward/Reverse

HI FLO®

3/8" Air Ratchet & 1/2" Impact Wrench Kit (25-590TF)

Retail Box. 3/master

• Impact Wrench

- Torque: 250 ft/lbs
- 6,500 RPM
- 1/2" square drive
- Built-in Regulator
- Forward/Reverse switch

• Ratchet Wrench

- Torque: 50 ft/lbs
- 160 RPM
- 3/8" square drive
- Forward/Reverse

* Includes HI FLO Coupler & 2 Plugs
